

Kimberly Everett McKenney, CPA

Qualifications and Background

Kimberly Everett McKenney graduated Cum Laude from Boise State University in 1994, with a Bachelor of Business Administration Degree in Accounting.

After graduation, Kimberly worked for a local law firm in Boise, as an accountant for six years. In 2000, Kimberly began working for a technological service company in Boise. While employed there she held three positions in a wide range of capacities including but not limited to: the office administrator, human resource director, accounting manager, and controller. She has an extensive background in the internal workings of closely held companies.

Joining Cooper Norman in 2005, Kimberly has had the opportunity to work with many of our clients. While at Cooper Norman, Kimberly obtained her CPA license in 2008. Her passion for helping business owners maximize their business has facilitated in her success as a CPA.

Kimberly brings with her an extensive level of experience both technical skills and industry specializations in the following areas:

- Business Consulting
- Financial Statement Preparation
- Tax Planning
- Tax Return Preparation
- Construction
- Professional Services Firms
- Retail

A QuickBooks Pro Advisor enables her to work with internal accountants and bookkeepers to maximize their value to the companies.

Kimberly serves on the accounting and auditing, construction and professional services firm committees of the Firm.

The following are professional associations that Kimberly is currently involved in:

- American Institute of Certified Public Accountants – 2008
- Idaho Society of Certified Public Accountants – 2008
