

LUREE EVANS

Qualifications and Background

Luree joined Cooper Norman in 1994. Some of her responsibilities have included monthly accounting, payroll reports, data entry, bookkeeper training, computer setup of accounting software, and software support. She has received certification as a QuickBooks Pro Advisor.

In 2003, Luree became the Cooper Norman Information Technology expert. She is responsible for all network functions within the Firm. In addition to this responsibility she is available to our clients as a consultant for their computer needs.

Luree graduated from The College of Southern Idaho in 1993 with a 4.0 GPA and received an Associate of Arts in Business Administration. During college, she earned the privilege of competing at the DECA National Competition in Orlando, Florida and received honors by placing in the top ten in the nation in the area of Finance and Credit.

Beginning in 1978, Luree worked in the area of accounting as a full charge bookkeeper. She also customized Cougar Mountain Accounting Software for outside companies and then provided the training and support of the software.

The following are community organizations that Luree is currently involved in:

- Twin Falls Optimists – Since 2003
 - Board Member
 - Prize Committee Co-Chair, Lost Wages
 - Secretary/Treasurer
 - Chair, Coats for Kids Program
 - Challenger League Buddy
